From : Shri A.Ch. Marak, I.A.S.,  
**Executive Chairman,**  
Meghalaya Board of School Education,

To : All Heads of Institutions offering +2 Stage of Education in Meghalaya.

Subject: Awareness on Common University Entrance Test (CUET).

Sir/Madam,

With the introduction of the Common University Entrance Test (CUET) for entry to the different under-graduate courses in colleges in the State as well as outside the State, it is imperative that our students are aware and geared up to meet the challenges of this entrance test. In this regard, the undersigned would like to advise the following to Heads of Institutions having 10+2 level:

- To organize an awareness programme about CUET in their respective institutions and bring to the knowledge of each and every higher secondary student that CUET is a mandatory gateway to pursue under-graduate courses after passing class XII.
- To assign at least one teacher of their institution to provide all the necessary information to the students regarding CUET. This assigned teacher shall familiarize himself/herself with CUET and update the students with important notifications from NTA (National Testing Agency) regarding CUET.
- As CUET is something new to our students, subject-teachers are requested to go an extra mile by guiding the students in preparing for CUET entrance test in whatever ways they can.
- National Testing Agency is the agency established by the Ministry of Education for conducting efficient, transparent and international standards test in order to assess the competency of candidates for admission to higher education institutions. Teachers and students are therefore advised to visit the website of NTA ([cuet.nta.nic.in](http://cuet.nta.nic.in)) for more information.
