Subject: Regarding the conduction of the International Cyber Olympiad 2024 in Government, Govt-aided & Private Schools of Meghalaya.

Respected Sir/Madam,

The International Cyber Olympiad (ICO) is a prestigious competition that tests students' knowledge and skills in computer science and also spreads awareness about the safe use of the internet & cyber security. It is a great opportunity for students to showcase their talent and learn from the best in the field. The importance of cyber security cannot be overstated. In today's digital world, our personal and financial information is constantly under threat. The Cyber Olympiad helps to raise awareness of these threats and teaches students how to protect themselves and their families.

In addition to the above, I would like to highlight the following points about the importance of the International Cyber Olympiad:

- *The Cyber Olympiad helps to bridge the gap between the education system and the needs of the IT industry.*
- *The Cyber Olympiad provides a platform for students to develop their problem-solving and critical-thinking skills.*
- *The Cyber Olympiad helps to promote cyber security awareness among students and the general public.*
- *Participating in the Cyber Olympiad can help students gain confidence in their abilities and boost their self-esteem.*
- *The Cyber Olympiad covers a wide range of topics, so students will have the opportunity to learn about the latest trends in technology, computer science and cyber security.*
- *All the students will be awarded Certificates for motivation while winners will be awarded Cash Prizes, Trophies, Medals and much more.*

In accordance with the [National Education Policy 2020](#), you are requested to lend your support to make the efforts of the Cyber Olympiad Foundation successful in reaching the maximum number of students by disseminating information about the [International Cyber Olympiad 2024](#) to government, govt-aided and private schools of the state. The International Cyber Olympiad is based on the [National Curriculum Framework for School Education](#) developed by the [NCERT](#).

MESSAGE

I am delighted to learn that the Cyber Olympiad Foundation is organising the International Cyber Olympiad.

India has taken a pioneering role in embracing emerging technologies at the grassroot level. Cybersecurity, which is an important component of our interconnected world, stands as one of the most pressing challenges of the digital age. Hon'ble Prime Minister Shri Narendra Modi ji has emphasised the need to raise awareness about the domain of cybersecurity, highlighting its significance within the broader context of national security. With the rapid evolution of technology, it is imperative for individuals, particularly the youth, to be equipped with the knowledge and skills necessary to navigate the digital landscape securely.

I am hopeful that this Olympiad will play a pivotal role in fostering a culture of cybersecurity consciousness among the youth. By providing a platform for young minds to engage with this critical subject matter, it will significantly contribute to building a safer digital environment for our nation, thereby aligning with the Hon'ble Prime Minister's vision for a digitally secured and empowered India.

I convey my best wishes for the successful culmination of the Olympiad and wish the Cyber Olympiad Foundation success in all its future endeavours.

MESSAGE

I am pleased to know that the Cyber Olympiad Foundation is organizing the International Cyber Olympiad for students.

The International Cyber Olympiad (ICO) serves as a platform for young minds to not only showcase their existing skills but also to cultivate a passion for innovation and technology. Events like these sow the seeds for a brighter, more technologically advanced future. Our students are going to be the future astronauts, cyber security professionals, researchers, entrepreneurs, and more who will shape the landscape of India's technological advancements. The efforts of International Cyber Olympiad in nurturing and encouraging these budding talents are invaluable, and they will undoubtedly leave a lasting impact on our nation. I am confident that the participants will be inspired to push boundaries, think creatively, and contribute meaningfully to the ever-evolving world of technology.

I congratulate the International Cyber Olympiad and convey my best wishes for the success of the event.

MESSAGE

I am pleased to learn that Cyber Olympiad Foundation, New Delhi, is organizing the International Cyber Olympiad, which is an attempt to bridge the gap between the education system and the needs of the IT industry. I am told that students from across India and other parts of the world will take part in the event, which also strives to promote cyber security.

In the age of Information Technology, cyber security has emerged as an imperative safeguard against an ever-evolving landscape of cyber threats. With the pervasive integration of IT into virtually every aspect of our lives, from business operations to personal communication, the protection of digital assets and data has become paramount.

Cyber security involves not only the prevention of cyber attacks but also the detection and response to breaches when they occur. As technology continues to advance, so do the tactics of cybercriminals, making it essential for organizations and individuals to stay ahead in the ongoing cat-and-mouse game of cyber security.

This means implementing robust security measures, regularly updating software, raising awareness about social engineering attacks, and maintaining a vigilant posture to mitigate risks and protect sensitive information in our interconnected, digital world.

I convey my best wishes for the success of the International Cyber Olympiad!

With the emergence of the modernity the means of safety have been changed. Today, in the age of Information Technology and digitization with the increase of the cyber crimes, the **Cyber Security** has been hugely accepted by the government machineries along with the giant corporate houses. Cyber Security has emerged as an imperative safeguard against an ever-evolving landscape of cyber threats. The protection of digital assets and data has become paramount with the pervasive integration of IT into virtual aspect of our lives. It is essential to motivate our adolescents and continuously motivate them and guide them to select the right path so that they can achieve their dreams and goals.

I am much pleased to learn that **International Cyber Olympiad** is being organized by the **Cyber Olympiad Foundation** on **18th February, 2024**. I am sure, this event will become a medium of huge motivational boost for the students and will encourage them to innovate and enhance their technological skills. I hope the avid participation of students will be beneficial for them by widening the boundaries of knowledge and skills. I convey my best wishes to the organizing team and the participating students, teachers and all the stakeholders for the success of the event and for a bright future ahead.
