FOREWORD

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.”

Malcolm X

It gives me immense joy in presenting the results of the Secondary School Leaving Certificate Examination that commenced from 3rd March 2023 till 17th March, 2023.

The abrupt shift to virtual education during tumultuous times has brought vast challenges and opportunities related to learning, mental health, access and equity in K-12 and higher education in India and across the world. The Meghalaya Board of School Education in compliance with the NEP 2020 is gearing towards building character and creating holistic and well-rounded individuals equipped with the key 21st-century skills. Specific sets of skills and values across domains are sought to be identified for integration and incorporation at each stage of learning, from pre-school to higher education. Although there persist many uncertainties and challenges, CUET being one of them, we wish and hope that our students will march out to be able leaders and policy makers in the near future.

On behalf of the Board, I wish to extend my sincere gratitude to the Department of Education, Government of Meghalaya for taking interest and rendering constant support to the Board. Sincere gratitude also goes to all Deputy Commissioners and the Superintendents of Police of all the Districts, Bank Officials and Board Functionaries (Supervising Officers, Centre Officers' in Charge, Invigilators, Custodians, Security Personnel, External Examiners, Paper setters, Moderators and Evaluators), for rendering their services in successfully completing the HSSLC & SSLC Examinations 2023.

The Board will strive to continuously align itself with the changing ecosystem of education in India and the world, keeping in mind our students and the society at large.

Once again, on behalf of the Board, a heartiest congratulations to all the successful candidates. For those who could not make it this time, “Never stop dreaming, never stop believing, never give up, never stop trying and never stop learning”. Let your hopes, not your hurts shape your future.

(A. Ch. Marak)
