**FOREWORD**

**Bok's Law: "If you think education is expensive try ignorance."**

It is with great pleasure, I once again present the results of the Secondary School Leaving Certificate Examination (SSLC) conducted by the Meghalaya Board of School Education (MBOSE) from 10th to 25th February, 2025. Joint efforts of all the stake holders- students, educators, administration and parents alike, have resulted in successful conduct of the examination.

Heartiest congratulation to all the students who through their perseverance and dedication to their studies have completed their academic journey thus far.

To those who could not make it or may not have achieved the desired result, remember setbacks are not synonymous with failure but rather stepping stones towards success, growth and personal development. With renewed determination and efforts try again and succeed.

I convey my gratitude to all the dedicated individuals who played a vital role in the exercise of conducting examinations. The commitment diligence and perseverance shown by Board Officials, Examiners, Teachers and Head of Institutions have been instrumental in ensuring that the examination is conducted with integrity and fairness.

Our gratitude also goes out to the unwavering support of the Education Department, the District Administration and Police Department of all the districts who also played an important role in the smooth conduct of the examinations.

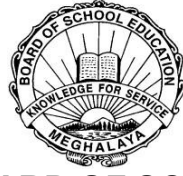

With IT revolution happening, influencing our daily lives, MBOSE has capitalised on this and introduced digital mark entry. This process has significantly enhanced the capability of the Board to work towards early declaration of results at least by one week as compared to previous years. We can expect more IT solutions in the upcoming Examinations further improving the functioning of the Board. Once again, congratulations to all the students for your outstanding performance and heartfelt appreciation to everyone involved in making this journey possible.

Best wishes for a bright and successful future ahead.
