FOREWORD

“The only real failure in life is one not learned from” Anthony J. D’Angelo

It is with great pleasure, I once again present the results of the Secondary School Leaving Certificate Supplementary Examination conducted by the Meghalaya Board of School Education from 1st to 8th May, 2026. Joint efforts of all the stake holders, students, educators, administration and parents alike, have resulted in the successful conduct of the examination.

Heartiest congratulation to all the students who through their perseverance and dedication to their duties have completed their academic journey thus far.

The SSLC Supplementary Examination is being conducted after a gap of many years. The decision by the Examination Committee to conduct two examinations in a year which was later approved by the Cabinet has resulted in the form of the Supplementary Examination. The candidates who could not make it in the first examination may appear on the same year in the subjects in which they were not successful. This decision is saving the candidate one year. Mindful of the fact that if the Supplementary examination is conducted in the same centre the schools would be losing classes on the days of the examination. Barring a few centres, the Board has created new Centers across the state.

I convey my gratitude to all the dedicated individuals who played a vital role in the exercise of conducting examinations. The commitment, diligence and perseverance shown by Board Officials, Examiners, Teachers and Head of Institutions have been instrumental in ensuring that the examination is conducted with integrity and fairness. A special thanks to the Head of institutions who accepted the request of the Board to become Supplementary Centres in spite of the fact that very few candidates appeared in their institution.

Our gratitude also goes out to the unwavering support of the Education Department, the District Administration and Police Department of all the districts who also played an important role in the smooth conduct of the examinations.

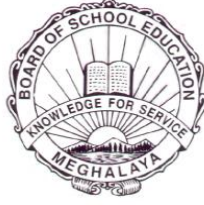

With IT revolution happening, influencing our daily lives, MBOSE has capitalised on this and introduced digital mark entry. This process has significantly enhanced the capability of the Board to work towards early declaration of results at least by one week as compared to previous years. We can expect more IT solutions in the upcoming Examinations further improving the functioning of the Board. Once again, congratulations to all the students for your outstanding performance and heartfelt appreciation to everyone involved in making this journey possible.

Best wishes for a bright and successful future ahead.
